## BETONSTIL NORDIC STYLE AT ITS BEST.

---

Light, Mid, Warm, Dark: four colors designed for any indoor space where minimalism, modernity and interior design are the key words. Four modern hues interpreted in our beloved Concrete look. Latest color trends matching with fashion, contemporary style and design: these are Hexa and Mixdecò, the decorative side of the project, from white to pink, from green to blue shades, four modern and refined decors and mosaics hues. This is Betonstil. The Scandinavian project par excellence, designed to bring a unique visual appeal to every residential or commercial venue: just #terratintastyle.

EVERY TIME YOU DO SOMETHING, THINK OF ONE EXTRA THING YOU CAN DO... ESPECIALLY IF OTHER PEOPLE AREN'T DOING THAT EXTRA THING.  
SURE, IT'S HARD. BUT THAT'S WHAT WILL MAKE YOU DIFFERENT. AND OVER TIME, THAT'S WHAT WILL MAKE YOU INCREDIBLY SUCCESSFUL.

S. Jobs

**DARK** | concrete

concrete dark 80x80

± 11mm (80x80) | RECTIFIED

---

I THINK THAT'S THE SINGLE BEST PIECE OF ADVICE:  
CONSTANTLY THINK ABOUT HOW YOU COULD BE  
DOING THINGS BETTER AND QUESTIONING YOURSELF.

E. Musk

HEXA |

HEXA is something more than just an hexagonal mosaic in 4,3x3,8 cm chips and 31,6x31,6 cm sheets. HEXA is pure design. High level technology made in Italy, full body porcelain mosaic, suitable for floors and walls. Available in a mix of three finishes, **matt**, **glossy** (light polished effect) and **fabric** (materic look, like juta texture), is the ultimate design trend: perfect for any residential and commercial area, something following the latest color trends into Scandinavian style. From pure **cotton candy** shade to the darker **deep navy** one, passing through the trendiest **rosy blush** and **wild sage**, HEXA mosaic is the answer for the ultimate touch in interior design, and lends itself to many different combinations with Concrete.

## MOSAIC HEXA *\_advantages*

Full body porcelain mosaic of only 4 mm thickness:  
high technical performances and refined aesthetic research.

- wear resistant
- breakage resistant
- frost resistant
- suitable for both floors and walls, even high traffic ones

Chips combined together in 31,6x31,6 cm sheets through the application of "glue dot":

- practical
- easy to handle
- resistant
- suitable for wet areas
- easy to lay down, even onto curved surfaces

*Far and away the  
best prize that  
life offers is the  
chance to work hard  
at work worth doing.*

*T. Roosevelt*

**MIXDECÒ** is a new chapter of decoration in pure #terratintastyle. This time is about colors, always with “Maiolica” look. Three mix of 9 patterns each in 3 different shades (rosy blush, wild sage, deep navy), plus the union: all the 27 decors in the 3 colors mixed together, a marvellous balance between vintage and modern which creates something really unique, never seen before. Mixdecò comes in two different finishes: *satin*, a materic matt feeling, and *wet&shiny*, stunning and bright gloss effect. Also suitable for residential floors, Mixdecò is just the quintessence of “Maiolica” design.
